

**Mickle Trafford and
Guilden Sutton Area**
Monthly update
FEBRUARY 2011

---- We have had a number of telephone calls relating to horses escaping from fields in Wimbolds Trafford and the area around the A5117. Obviously this could result in a serious incident given the volume of traffic in the area and of course the M53 close by. Appropriate action will be taken if this continues.

---- The Police are taking a proactive position on vehicles being driven without insurance tax etc... and a number of vehicles were stopped in the area recently. One of these stops resulted in a vehicle being seized. Please take a minute and check your car documentation is correct and complies with the Road Traffic Act.

---- There have been a number of reports of suspicious vehicles on the patch. Some are knocking for scrap metal, and if you do not feel comfortable then just say no and if you feel someone is up to no good then give the Police a call.

---- There will be a Police Surgery outside the Post Offices of Guilden Sutton and Mickle Trafford. Please feel free to come and speak with us.
Saturday March 12th Guilden Sutton 1000hrs and M. Trafford 1130hrs.

---- A white Citroen Berlingo with 2 males in was challenged by a member of the public on Station Lane Mickle Trafford when looking at a house currently under offer. They were abusive and then left. Could you please be aware of this vehicle.

---- Finally a yellow Quad bike has been sighted racing on the bridle paths in and around Guilden Sutton. If this is seen then please let us know.
