

## **MBNA Chester Marathon**

**Bank Holiday Monday 31<sup>st</sup> May 2010**

This year sees the inaugural MBNA Chester Marathon, the first marathon in Chester and the only one in Cheshire. The 26.2 mile run will start and finish at Chester Rugby Club, and the route will take runners along the full length of the Greenway cycle path from Mickle Trafford to Hawarden Bridge – and back! Organisers hope that the event will raise thousands of pounds for the Hospice of the Good Shepherd.

The event will be marshalled, with police in attendance, and road traffic management to ensure the safety and welfare of the public and runners.
