Spring 2026

Welcome

We are the Guilden Sutton Community Association, and we're here to help bring people together and keep our vibrant village life thriving.

Did you know that our Village Hall, community events, and some of the moments that make Guilden Sutton special are run by volunteers from our village?

We manage and support the Village Hall, ensuring it remains a welcoming hub for clubs, classes, parties and celebrations.

We also help organise and run some of the village's much-loved events, including:

- The Christmas Lights Switch-On (right)
- The popular Village Quiz
- The Guilden Sutton Fete

and many other community activities throughout the year.

We're a friendly group of local people who simply care about our village and we'd love to welcome more friendly faces to help. Specifically we are looking for new trustees. No special experience is required, just enthusiasm, a community spirit, and a little bit of time to help keep Guilden Sutton the wonderful place it is. We are also looking for volunteers to help with the maintenance of the Hall.

If you've ever enjoyed village events, used the Village Hall, or would simply like to meet more people and get involved, why not give it a try?

Do join us and help make a difference.

Popup Play Village

Pop Up Play Village is delighted to be back in Guilden Sutton this spring, bringing our much-loved role-play sessions to local families more often than ever before. Due to popular demand, our sessions have increased from monthly to fortnightly, giving even more little ones the chance to learn, explore and imagine through play.

Each session transforms the hall into a miniature village, with carefully designed role-play areas such as a café, construction site, baby nursery, vets, shop, transport zones and more. Children are free to explore at their own pace, developing confidence, communication skills, creativity and problem-solving – all while having lots of fun.

Role play is so much more than “just playing”. It supports children’s social and emotional development, helps build language and cooperation skills, and gives them the opportunity to make sense of the world around them in a safe, child-led way. Parents often tell us how engaged their children are – and how nice it is to enjoy a cuppa and a chat while little ones are happily immersed.

Our Guilden Sutton sessions are suitable for babies through to children aged around 7, with something for everyone. Each session includes a wide variety of play areas, a relaxed and welcoming atmosphere, and space for children to play independently or alongside siblings and friends.

Upcoming dates in Guilden Sutton (Feb–May):

- 13th February – Valentine’s themed session
- 27th February
- 13th March
- 3rd April – Easter Special (Good Friday)
- 17th April
- 1st May
- 15th May
- 29th May

Spaces are limited and sessions often sell out, so early booking is recommended.

To book, visit: <https://popupplayvillage.co.uk/pop-up-play-village-in-and-around-chester-wrexham-whitchurch-and-nantwich/>

We can’t wait to welcome you back to the village!

Guilden Sutton Parent and Toddler Group

A friendly space for little ones and their grown-ups

Guilden Sutton Playgroup is a welcoming and relaxed playgroup for babies and young children aged 0–4 years, offering a friendly space for families to meet, play and connect within the local community. The playgroup runs weekly during term time on Tuesdays from 10.30am to 12.00pm and takes place at Guilden Sutton Village Hall. Each session offers a mix of free play and simple organised activities, giving children the opportunity to explore, create and socialise in a safe and supportive environment. A variety of toys and play equipment is available for all ages, along with crafts, songs and stories that children can join in with at their own pace.

The focus of Guilden Sutton Playgroup is on relaxed, child-led play. Children can build confidence, practise early social skills and enjoy spending time with others, while parents, grandparents and carers have the chance to chat, share experiences and form friendships. Many families find the playgroup a gentle first step into group activities before nursery or preschool, as well as a lovely weekly routine to look forward to.

New families are always very welcome, whether you have a tiny baby, a busy toddler, or are new to the village and looking to meet others locally. There is no pressure — just a friendly, inclusive atmosphere where everyone can feel at home.

When: Tuesdays, 10.30am–12.00pm (term time)

Circle dancing

Dancing connects you with others, lifts your mood and develops co-ordination and memory. It feeds your mind, body and soul.

Holding hands and dancing with others in a circle pattern is a very old tradition in countries like Greece, particularly on occasions such as weddings, where everyone is included and you don't need a partner.

In our Wednesday afternoon circle dance group (Village Hall, 2.30 - 4pm), we do, in the main, fairly gentle community dances, with repeated step patterns to beautiful world music. Some of the rhythms are quite unusual and keep us on our toes! We embrace a wide variety of dances and cultures, and express many moods. We always end the session with more meditative dances, which bring a feeling of peace. We always have a lot of fun along the way.

We are an established and friendly group, and will offer you a warm, open welcome.

If you would like try us, please contact Dee and Nawal on 01244 679100, or email nawal.dee@gmail.com

Why do Scout volunteers do it?

It's not for the pay (we checked — still £0, sadly).
It's not for the glamour (we've got more campfire smoke in our clothes and mud on our boots than we'd like to admit).

And it's definitely not for the peace and quiet (have you ever tried to keep 20 Scouts — especially Beavers — quiet during an award ceremony?).

We do it for that moment — when a young person tries something new, surprises themselves, and grins like they've just conquered Everest 🏔️.

We do it for the friendships , the laughter , the campfire adventures , the trails we blaze , and the pride of helping young scouts find their confidence, courage, and voice .

You can't put a price on that.
(But you can put a badge on it)

Join the adventure.
Be the reason young people believe they can do anything!
