Spring 2022

Community activities

With the run-up to spring and summer and an easing of Covid restrictions, more clubs, societies and events are opening up over the coming months, including preparations for the village fete, suspended for the past two years.

The village hall is busy with many regular activities, particularly for children - most are listed in this newsletter. There are also a few activities currently paused because of Covid concerns. Latest info can be found on the the website and Facebook page, which are updated regularly.

This year we will be celebrating the Queen's Platinum Jubilee in June, with various events. There is a double bank holiday on Thurs 2 and Fri 3 June. On the 2 June, Guilden Sutton hope to be taking part in a national chain of beacons which includes a large one on the summit of Moel Famau.

Progress to change the Community Association constitution from its unincorporated form into what is known as a Charitable Incorporated Organisation (CIO) has stalled a little but is still underway. There is more information on page 11.

The village lottery has paused temporarily, following the last draw, held in November 2020. Any payments received after that date should have been refunded. Excitingly, we think someone has stepped in to run the lottery - more info will appear on the website.

Wishing all residents a happy, safe and enjoyable 2022

Guilden Sutton Preschool

Guilden Sutton Preschool is a lovely local preschool in the heart of Guilden Sutton. Our child centred approach allows your little person to grow, learn and develop through play and creativity.

We provide a safe, inclusive, nurturing environment for all and pride ourselves in giving our children the confidence and skills for their next big adventure! We also have strong community links with the local school and church.

Our Facebook page is a great way to see all of the wonderful activities we get up to! Alternatively, email managersps@gmail.com or call 07717 942843 to arrange a visit. We are open Monday-Friday from 9am-3pm during term times.

We still have spaces available

Parent and Toddler group

The Parent and Toddler Group meet term time only, every Tuesday morning between 10.30 and 12.00 in the Village Hall. We charge £2 per family.

Parents, grandparents and childminders are all welcome to join our friendly group, we currently have children ranging from a few months old to preschoolers, everyone is welcome!

We have a wide selection of toys and play equipment. Our ride-on toys are always very popular with the older children. The babies enjoy socialising on the play mats and are able to explore new toys in a safe environment. Painting, play dough and other craft activities are carried out each week sometimes themed on seasonal or festive events that take place throughout the year. Children enjoy a healthy snack and drink and grown-ups have a drink and a biscuit too.

UPDATE

Good news our group now has a new chairperson and committee member. We are so happy Todder's did not have to fold and our Tuesday, morning sessions can continue.

Still needed: Treasurer - banking cash and payments via online banking. This role does not take up much time. If interested please come to toddlers or email elise.honey@gmail.com

Healthy Active Lifestyle (HAL) Club

If you are looking to get a bit fitter and healthier with a group of like minded people, then HAL is for you. We meet every Thursday morning in the Village Hall (9.15 – 10.30am). Our current group is very friendly and has a lovely mix of people of different fitness levels and with a good range of ages.

Our weekly workout is complemented by a discussion on healthy eating topics, as the best health and fitness results are achieved by regular exercise as well as a healthy diet.

All fitness levels are catered for, with a range of high and low impact activities, to suit everyone.

We would love to welcome new members to the group. For more information please contact Su Baird on 07771 951427 or su.baird@btopenworld.com.

Rambling Group

The uncertainty at present facing everybody has meant that, although the Ramblers had hoped to recommence walks in the New Year, this idea has been shelved. The plan now is to hopefully start in March when the weather might have improved and we should have a clearer idea of infection levels. An update will be posted on the Village Website prior to that.

Since we last walked there might be some people who would be interested in joining the group or getting further information. Please contact Sheena on 301286 with your details if you wish to find out more.

Indoor bowls club

It was great to start playing again at the beginning of October and we look forward to the second half of the season from 7th January to the 8th April.

The Cheshire Villages Indoor Bowling League have decided to cancel this year's competition but have arranged for a series of friendly matches to keep team players on the ball. Our semi-final match from last year's competition against Lach Dennis has still to be arranged.

If you require further information please contact Jill on 301015.

Yoga

Yoga classes run in the main hall on Friday mornings from 9 to 10.15 (this class is also available by zoom) and Tuesday evenings 6.30 until 7.45.

Classes are friendly and welcome both beginners and more experienced yogis. Aly trained with the British Wheel of Yoga on a 500 hour course and has been teaching yoga for over ten years.

Yoga improves our mental and physical health and well-being.

If you would like to increase your fitness, strength, flexibility, energy levels and your ability to relax and deal with stress, anxiety or life's general ups and downs; or if you would just like to take some time for yourself, why not give yoga a try?

For more information please call or text Aly 07801 575773
email aly@yogaly.co.uk or visit www.yogaly.co.uk

Badminton club

The Badminton Club plays from September until the end of April at the village hall.

Monday evening from 8.00pm - 10.00pm
Tuesday evening from 8.00pm - 9.00pm (or later depending on number of players)

If you have played some badminton before, or you would just like to give it a try, you will be made very welcome.

For information, please contact Peter Evans on 300890.

Ladies Badminton

Ladies badminton Village Hall Tuesday 09:15 - 10:15

The club is currently running at capacity but if you want further information please contact Sue Graves 01244 301122

Green Space and Hooks Wood

Hooks Wood, our community woodland, is nearly a year old! If you haven't visited yet why not head over when you have the chance. It's a lovely place to walk and can easily be linked to longer routes based around the Green Lane bridleway, School Lane, Station Lane, the Greenway, and Meadow Lea cafe. At the far end take a moment to stop by the pond and enjoy the view, right across to Helsby hill.

In its first year we have focused on set-up and tree-planting. There is still plenty of practical work to do, but this year we hope to focus as well on growing the Hooks Wood community. We will continue running volunteer activity sessions to help with general maintenance, and we are hoping to arrange visits for the children at the primary school.

We'd love to hear from any other groups who would like to use the woods – be it for gathering in the open air, fitness, volunteering, or something we haven't even thought of yet.

if you would like further information, please email us or visit the Green Space website.

Cestrian Art group

The Cestrian Art group has currently paused its weekly meetings. It is hoped to resume in February in St John's Church Hall when details will be finalised and existing members informed. Please keep a look out on the Guilden Sutton website for further info.

If you are interested in becoming part of the group, please contact Chris Morley on 01244 300952. Please be aware that numbers are currently restricted due to Covid precautions.

Guilden Sutton Players

The players have been entertaining people in our village for over 40 years, as an integral part of the Community Association with many loyal friends from the village. Income from productions helped fund the building of our wonderful village hall.

As we all start to think about getting back to normality following the pandemic we need more of the village to join the team and help shape our future.

Our Annual General Meeting will take place at 8.00pm on Wednesday 9th February in the Village Hall, and we would like to cordially invite as many of you as possible to join us and contribute to the discussion about how the players can continue and grow as a true cornerstone of village life.

For more information please contact Gillian Eyre on 07403 515158.

Talkabout

It is such a shame that we have, so far, been unable to resume our meetings. We had hoped to resume in January but now feel it would be better to wait a couple of months. We have decided to hold a committee meeting early in 2022 to consider various options for meetings, so that all members will be happy to attend once more.

We hope to re-launch Talkabout with an event in Spring 2022 and all members will be contacted when things have been sorted out. If anyone has any questions please contact Joan on 07768 093624

"Village Green" volunteers are working to improve the appearance and facilities of public areas in Guilden Sutton and Pipers Ash, especially the car parks by the shops and Village Hall. Already we've initiated the replacement of dilapidated fencing by the car parks, and tackled overgrown areas on the footpath behind the school, in Cinder Lane, and in part of the Longster Trail in Pipers Ash. Cheshire West and Chester Council helped us by sending wagons to remove the waste.

Thank you to all who took part in our recent opinion survey. In response to this, our next project is installing planters around the Parish Council noticeboard near the shops, and we hope to have them ready in time for a spring flower display.

CW&C don't cut communal grass verges and weed the gutters as often as residents would wish. This is because of budget cuts, increased needs in areas such as Social Services, and other demands on the Council Tax. So what can be done? One solution is for those of us who live near a communal verge to spend a few more minutes if we wish whilst we are out cutting our own front lawns and cut the grass on the verges too. For larger areas, neighbours who are willing and able could work together and have a team effort. To those of you who already do this, a big thank you and what a difference it makes!

Village Green is an independent voluntary group and not part of the Guilden Sutton Community Association. If you'd like to join us in the "Village Green" group, or comment on this article, please email us at: village-green@guildensutton.org.uk

Many of you have already given us your email addresses, and wish to help in the future. We'll be in touch the next time we have a big project in the pipe-line.

Websites

The Guilden Sutton website is changing slightly by splitting off the Parish Council information into a separate site. This will allow the Parish Council to operate their site in keeping with current guidelines and procedural requirements as well as ensuring resilience for the future.

It will also allow the Guilden Sutton site (incorporating the Marigold) to be operated independently for and by the community in the form you see it now. The Parish council is providing the funding for the hosting and domain registration - many thanks.

We hope you find the website and the Facebook page both interesting and useful. Some of the older pages need updating so that they are suitable for all devices. If anyone would like to help with the production of the website, either with the technical aspects and/or writing content, please contact Brian Lewin - details p11.

Change to the Community Association constitution

The 2021 AGM of the Community Association commissioned a review of its 1981 constitution, which no longer fits with the way the CA had been working. The 1981 constitution had been drawn up soon after the CA was formed and proposed an organisation which did not prove practicable and was never followed. It also meant that contracts were made by individual members of the CA, not the CA as a body.

Following the AGM, a group was formed to investigate the possibility of forming a Charitable Incorporated Organisation (CIO). This would enable contracts to be entered into by the CA in its own right and not by an individual member, thus avoiding any potential liability for individual members. A CIO also has advantages with regard to the succession of the charity.

Kevin Janes, an advisor from Cheshire Community Action, was a member of that group and helped to draft a new constitution, which would fit with the way the CA is organised and also the move to a CIO. The new constitution is currently being finalised and will be put to a public meeting in the near future.
